SENATOR BROMM: Thank you.

SPEAKER BAACK: We will now vote on LR 65. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of LR 65.

SPEAKER BAACK: LR 65 is adopted. Before we proceed to further business, I would like to introduce some guests of Senator Robinson. Under the south balcony, we have Dan Hunt, Tammy McManigal and Julie Kuhr from Blair. Would you folks please stand and be welcomed by the Legislature. Thank you for being with us. Items for the record, Mr. Clerk.

CLERK: One item, Mr. President, thank you. New A bill, LB 505A by Senator Schellpeper, appropriates funds to implement LB 505. That's all that I have. (See page 1103 of the Legislative Journal.)

SPEAKER BAACK: We will now proceed to Item 6 on the agenda, Select File, and senator priority bills and LB 520.

CLERK: Mr. President, LB 520 was discussed yesterday. At that time, there were amendments offered by both Senator Robinson and Withem.
